

# Jessica Clancy-Strawn, MA RDN

Registered Dietitian & Expert Nutritionist

## Meet Jessica

Jessica Clancy-Strawn, MA RDN is a registered dietitian with nearly 20 years of experience specializing in nutrition across all stages of life, from childhood to elderly care. Her expertise includes prevention, maintenance, and longevity in managing various disease states. She has worked in the renowned Texas Medical Center providing care to diverse populations and cultures while adhering to evidence-based medical practices.

Her diverse background, enriched by working and traveling abroad – working in London, studying in Mexico, and exploring numerous continents, countries, states and islands – brings a wealth of experience to her storytelling, offering readers a unique and engaging perspective.
